Reference: “Peace Education” Course.

We would like to express our sincere appreciation to the volunteers of this Association for the very positive results achieved by the “Peace Education” course, which was just concluded. The Course was deeply appreciated by the participating inmates and it was followed by them with keen interest.

We are confident in the possibility of holding a new session of this course, which we consider of great educational value, and at the same time we would like to express our wish to invite here the Main Speaker, Mr. Prem Rawat.
