Kind Attn: Mr.C.N.Srivatsasan

Dear sir,

Greetings and good wishes to you

This letter is to express our profound and profuse thanks to you and your team from the Prem Rawat Foundation for having conducted the 10-module Peace Education programme (PEP) in our organization during 30 July – 18 August 2014.

We would like to go on record that this was a praiseworthy learning programme that enamoured and impacted our managers and team leads. I too was a beneficiary. The 10 learning points (peace, appreciation, inner strength, self-awareness, clarity, understanding, dignity, choice, hope and contentment) are worth in gold coming as they do from one of the self-discovery thought leaders, the world renowned Mr.Prem Rawat. The depth and power of the learning would stand the learner in good stead to be more productive, optimistic and catalytic in all walks of life.

Institutions like the Prem Rawat Foundation and its volunteers like you leave a rich legacy to posterity and enable planet earth worth living in.

I for one would aver that this programme touches the very depth of one's being. Little wonder, as knowledge workers, we loved the learning sessions and look forward to applying them in our personal and professional lives.

Thanks a million for the opportunity, a life-time experience, as it were.

All the luck in the world to you, sir, your team and the Prem Rawat Foundation.

Yours sincerely
