Dear Sir/ Madam

I am humbled to write this letter to your kind Institution to appreciate and acknowledge the knowledge and the information which is imparted to the officials and the offenders of Zonderwater Correctional Centre B.

This programme has enlightened and empowered a lot of offenders to have peace within them and it also taught them to forgive other people. Some of them before the inception of the programme were always having conflict and anger within. After they attended the programme, they started to have peace.

I am very confident that, should this programme be rolled out in the majority of Prisons nationally and internationally, there will be a peaceful Prison environment which has the potential to reduce recidivism and have law abiding citizens upon release and facilitate the process of re-integration into the society.

I hope and pray that the Almighty provide Mr Rawat and his committed and dedicated team of volunteers to keep up and continue with the excellent work of making a difference in other people's life.

REGARDS
