Dear Mr. Novick,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of \$50,000.00 received on April 2, 2020. As you requested, the funds have been earmarked for COVID-19 Impact & Outbreak Response.

We would like to acknowledge your generosity by including your name in publications such as our annual report. Your name will appear as "The Prem Rawat Foundation." If you would like us to make a correction, please call 646-253-4518 or email NYannualreport@newyork.msf.org within the next 30 days.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 70 countries, including:

- **Cholera in Yemen:** A deadly wave of cholera has hit war-torn Yemen. Our teams are building new clinics and treating an increased number of cholera patients every week.
- **Ebola in Democratic Republic of Congo:** We are working to contain the second-largest Ebola outbreak by vaccinating frontline workers and treating hundreds of Ebola patients.
- **Humanitarian Crisis in Central America:** Using mobile clinics along migration routes, we are reaching thousands of people who are fleeing violence with vital medical care.

Our critical work to deliver emergency care to people caught in these crises wouldn't be possible without your generous support. Thank you for being part of our important life-saving mission.

Sincerely,

Avril Benoît
Executive Director, Doctors Without Borders USA
