Regional Office in Navarre, Spain  
C/ Aralar 3, 31002

Dear Sir or Madam,

This letter is to inform you that, during the months of April, May and June of the current year, two volunteers conducted ten workshops under the generic term "Peace Education Program", which was created by The Prem Rawat Foundation, in our regional office in the city of Pamplona, Spain.

From the regional office of the National Organization of Spanish Blind People (ONCE) in Navarre, we would like to state that all those attending the workshop felt extremely grateful and satisfied with the activity carried out. The moments that were lived throughout the different days of the workshops, in which friendship, affection and understanding were fostered, proved to be extremely positive for the attendees.

Therefore, we would like to encourage all types of associations and organizations to implement this novel program that we consider beneficial for its participants.

Please feel free to contact us if you have any questions or queries.

Sincerely,

Signed by: Jesús L. Buitrago Calzado
