Dear Sir or Madam:

I am writing this letter in strong support for the Inner Peace Program at the Dominguez Unit in San Antonio Texas.

This program and the Texas Department of Criminal Justice (TDCJ) is strong and beneficial to our offender population. The total number of offenders who have attended this program since 2007 is 415 and the average per class is 50. The successful teaching patterns of this program provided by these volunteers helps benefit the attitudes of offenders, assist in curbing their aggression and helps them in making decisions. Also offenders who have attended this program have had less disciplinary cases. The program also tracks offenders after they are released to monitor their progression or failure.

I believe the future is bright for the "Inner Peace Program" here at the Dominguez Unit. This program is in its fifth year. In order to facilitate a successful Inner Peace Program, they will certainly need full financial support (grant) to help keep this program going. I admire and respect these volunteers for their hard and dedicated work at the Dominguez Unit.

Sincerely,

Robert Balli
Senior Warden
