## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
The Prem Rawat Foundation

We have audited the accompanying financial statements of The Prem Rawat Foundation (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Prem Rawat Foundation as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES**

The Prem Rawat Foundation (the “Foundation” or “TPRF”), a California not-for-profit public benefit corporation, was created in November 2001. The mission of The Prem Rawat Foundation is to address the fundamental human needs of food, water, and peace. Through a variety of programs and initiatives, TPRF is dedicated to helping build a world at peace, one person at a time, so that people can live with dignity, peace, and prosperity.

The Foundation has planned, designed, and implemented several critically needed programs such as its model Food for People program (FFP). FFP is based on Prem Rawat’s desire to help people break out of the cycle of poverty. There are now three FFP facilities: one in India, one in Nepal, and one in Ghana. In 2019, FFP facilities served over 490,000 hot nutritious meals to children, the sick, and the elderly.

The Peace Education Program is an educational program designed and operated by the Foundation to help people discover their own inner resources and the possibility of personal peace. This multimedia program consists of 10 sessions, each focusing on a particular theme. These customized, interactive workshops are non-religious and non-sectarian. The content of each theme is based on excerpts from Prem Rawat’s international talks. The themes are: Peace, Appreciation, Inner Strength, Self-Awareness, Clarity, Understanding, Dignity, Choice, Hope, and Contentment. The program was first offered in late 2012 and has been presented in 84 countries. In 2019, over 1000 workshops were held that reached over 35,500 participants.

The Foundation also produces a number of media and online materials based on Prem Rawat’s addresses in addition to course material for its Peace Education Program. The Foundation also sponsors and supports events where Prem Rawat is the keynote speaker at universities, non- governmental organizations, and various other meetings.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Foundation have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP) and follow the recommendations of the Accounting Standards Codification (ASC) 958-205, Financial Statements of Not-for-Profit Entities.

**Recently Adopted Accounting Standards**

In May 2014, the FASB issued ASU 2014-09, “Revenue from Contracts with Customers (Topic 606)”. This ASU replaces nearly all existing U.S. GAAP guidance on revenue recognition. ASU 2014-09 requires entities to recognize revenue in a way that depicts the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods or services. In June 2020, the FASB issued ASU 2020-05. “Revenue from Contracts with Customers: Topic 606: Deferral of Effective Date”. This standard delays the effective date for non-public entities to fiscal years beginning after December 15, 2019, with early adoption permitted. The Organization is evaluating the impact the pronouncement may have on the financial statements.

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

In February 2016, the FASB issued ASU 2016-02 “Leases (Topic 842)”, which sets out the principles for the recognition measurement, presentation, and disclosure of leases for both lessees and lessors. ASU 2016-2 requires lessees to recognize the following for all leases with terms longer than 12 months: (a) a lease liability, and (b) a right-of-use asset. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. Leases with a term of 12 months or less will be accounted for similarly to existing guidance for operating leases. The FASB issued ASU 2020-05 delaying the effective date for non-public entities for fiscal years beginning after December 15, 2021, with early adoption permitted. The Organization is evaluating the impact the pronouncement may have on the financial statements.

**Financial Statement Presentation**

The Foundation reports information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. Net assets and revenues are classified based on the existence or absence of donor-imposed restrictions.

*Without Donor Restrictions* – Net assets that are not subject to donor-imposed restrictions. Net assets without donor restrictions may be used for any purpose consistent with the Foundation's mission.

*With Donor Restrictions* – Net assets subject to donor-imposed restrictions that may be temporary in nature that may be or will be met by actions of the Foundation or the passage of time. Other donor stipulations may be perpetual in nature, where the donor stipulates that the corpus be maintained intact in perpetuity. As the restrictions are satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities as net assets released from restrictions. There were no such net assets as of December 31, 2019.

**Cash and Cash Equivalents**

For purposes of reporting cash flows, cash and cash equivalents include cash held in checking and savings accounts, cash on hand, and other highly liquid resources, such as investments in certificates of deposit and money market funds, with an original maturity of three months or less when purchased.

**Investments**

Investments are recorded at their fair value in the statement of financial position. Gains and losses are reflected in the statement of activities. Investments consist of corporate bonds, which have maturity dates over a year and are classified as long-term.

**Contributions Receivable**

Unconditional pledges are recorded at their net realizable value and no discount has been recorded. Conditional promises to give are recognized only when the conditions are substantially met. Management believes the contributions receivable as of December 31, 2019 and 2018 are fully collectible; therefore, the Foundation has not recorded an allowance for doubtful accounts. All receivables at December 31, 2019 and 2018 are due within one year.

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Revenue Recognition**

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires because the contributed resources are spent in accordance with the donor's instructions or because of passage of time, net assets with donor restrictions are reclassified to net assets without donor restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

**Property and Equipment**

Property and equipment are stated at cost, if purchased, or at fair value at the date of the gift, if donated and significant. Donations of property and equipment are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions.

Depreciation has been recorded using the straight-line method over the estimated useful lives of the assets as follows:

Computer equipment	3 years
--------------------	---------

The cost of property and equipment purchased in excess of \$1,000 is capitalized. Repairs, maintenance and minor acquisitions are expensed as incurred. Gains and losses are recognized in the statements of activities upon disposal of property and equipment.

**Long-Lived Assets**

The Foundation reviews long-lived assets such as property and equipment to determine if there has been an impairment of value whenever events or changes occur that indicate the carrying value of the assets may have declined and may not be recoverable. No circumstances have occurred during the years causing the Foundation to believe there has been any impairment of the carrying value of its long-lived assets. There can be no assurance, however, that market or other conditions will not change in the future resulting in impairment of long-lived assets.

**Income Taxes**

The Foundation is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code ("IRC") and Section 23701(d) of the California Tax Code. Contributions to the Foundation are deductible for tax purposes under Section 170(c)(2) of the IRC. The Foundation is not a private foundation.

The Foundation evaluates uncertain tax positions whereby the effect of the uncertainty would be recorded if the tax positions will, more likely than not, be sustained upon examination. As of December 31, 2019, management does not believe the Foundation has any uncertain tax positions requiring accrual or disclosure. The Foundation is subject to potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Contributed Assets, Materials, and Services**

The Foundation receives periodic donations of assets, materials, and services from local vendors, and from the community, which are recorded at estimated fair market value at the date of donation, if significant. Donated equipment, improvements, or long-lived assets are recorded at the estimated fair value at the date of donation. Donated securities are held until they can be sold. The Foundation did not receive any contributed assets, materials, or services during the years ended December 31, 2019 and 2018.

**Fair Value Measurements**

Generally accepted accounting standards related to fair value measurements (a) define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, and (b) set out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described as follows:

Level 1 – Observable inputs such as quoted prices in active markets for identical assets or liabilities.

Level 2 – Directly or indirectly observable input for quoted and other than quoted prices for identical or similar assets and liabilities in active or non-active markets.

Level 3 – Unobservable inputs not corroborated by market data, therefore requiring the entity to use the best information available in the circumstances, including the entity's own data.

Certain financial instruments are carried at cost, which approximates fair value because of the short-term nature of these instruments, and thus are not categorized.

These instruments include contributions receivable, accounts payable, accrued expenses, and grants payable.

**Advertising Costs**

The Foundation uses advertising to promote its programs among the audiences it serves. The costs of advertising are expensed as incurred. Advertising costs for the years ended December 31, 2019 and 2018 were \$127,435 and \$65,834, respectively.

**Research and Development Costs**

Research and development costs are charged in the period incurred. The costs for the year ended December 31, 2019 was \$70,247. No cost was incurred for the year ended December 31, 2018.

**Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. Certain categories of expenses are attributable to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort.

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual events and results could differ from those assumptions and estimates. The significant items in these statements that are affected by management estimates are useful lives of property and equipment and allocations of functional expenses.

**NOTE 3 – INVESTMENTS**

Investments consisted of the following at December 31, 2019:

	<u>Fair Value</u>	<u>Cost</u>	<u>Unrealized Gain(Loss)</u>
Fixed income - corporate bonds	<u>\$ 1,972,219</u>	<u>\$ 1,951,439</u>	<u>\$ 20,780</u>
	<u><u>\$ 1,972,219</u></u>	<u><u>\$ 1,951,439</u></u>	<u><u>\$ 20,780</u></u>

Investments consisted of the following at December 31, 2018:

	<u>Fair Value</u>	<u>Cost</u>	<u>Unrealized Gain(Loss)</u>
Fixed income - corporate bonds	<u>\$ 1,951,858</u>	<u>\$ 1,936,626</u>	<u>\$ 15,232</u>
	<u><u>\$ 1,951,858</u></u>	<u><u>\$ 1,936,626</u></u>	<u><u>\$ 15,232</u></u>

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Investments are managed by professional investment managers who have responsibility for investing the funds in various investment classes. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the near term could materially affect account balances and the amounts reported in the accompanying financial statements.

The following schedule summarizes the investment return for the years ended December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Interest and dividends	\$ 40,052	\$ 24,640
Realized gain	-	41
Unrealized gain	17,779	1,901
Management fees	<u>(4,914)</u>	<u>(1,853)</u>
	<u><u>\$ 52,917</u></u>	<u><u>\$ 24,729</u></u>

**THE PREM RAWAT FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 and 2018**

**NOTE 4 – PROPERTY AND EQUIPMENT**

Property and equipment at December 31, 2019 and 2018, are summarized as follows:

	<u>2019</u>	<u>2018</u>
Computers equipment and software	\$ 285,040	\$ 285,165
Land	30,000	30,000
	<u>315,040</u>	<u>315,165</u>
Less: accumulated depreciation	<u>(282,878)</u>	<u>(279,929)</u>
Net property and equipment	<u>\$ 32,162</u>	<u>\$ 35,236</u>

Depreciation expense for the years ended December 31, 2019 and 2018 were \$2,949 and \$13,674, respectively.

**NOTE 5 – CONCENTRATIONS**

**Cash**

The Foundation maintains cash balances at several financial institutions located in Southern California. The balances on deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The cash balances may, at times, exceed federally insured limits. The Company has not experienced any losses on these accounts to date. Management believes it is not exposed to any significant risk on its cash balances.

**NOTE 9 – SUBSEQUENT EVENTS**

On January 30, 2020 the World Health Organization declared the coronavirus outbreak a “Public Health Emergency of International Concern” and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies of many countries including the geographical area where the Organization operates.

Management has performed an analysis of the activities and transactions subsequent to December 31, 2019 to determine the need for any adjustments and/or disclosures within the financial statements for the year ended December 31, 2019 through September 11, 2020, the date which the financial statements were available to be issued. Management represents that it will be able to withstand the economic events and does not expect a material effect on its contributions and support and its operations.

No additional adjustments, or additional disclosures from above, were required based on this analysis.
