Mrs. Linda Pascotto
The Prem Rawat Foundation
1223 Wilshire Blvd, Ste 464
Santa Monica, CA 90403-5406

Dear Linda,

Thank you for the generous donation from The Prem Rawat Foundation of \$75,000 in support of Americares India COVID-19 Fund. Your gift enables us to accelerate our deliveries of PPE and critically needed medical equipment to health facilities throughout India on the frontline of the world's worst COVID-19 outbreak.

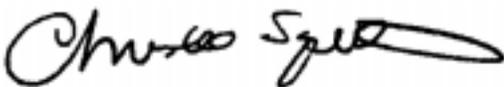

India is in the midst of a devastating second wave of coronavirus infections. With cases rising rapidly nationwide, the country now ranks second behind only the U.S. for the most infections in the world. Health facilities across the country are overwhelmed as health workers lack the basic necessities required to treat patients and struggle to meet the demand for care.

The Americares India team based in Mumbai has already delivered over 6.6 million protective supplies for health workers since the start of the pandemic. Over the next few weeks Americares relief workers will distribute 1 million units of PPE to dedicated COVID-19 hospitals in Mumbai and Delhi, more than 600 oxygen concentrators, and other desperately needed medical equipment to COVID-19 treatment centers. Our longstanding mobile health programs are also working to provide telehealth consultation, medicine deliveries, COVID-19 screenings as well as patient education and support.

Americares has been providing assistance in India for over 30 years and has had local presence in Mumbai since 2006. With ongoing partnerships with local ministries of health, as well medicine and medical supply manufacturers and dozens of distribution partners around the country, Americares is well-positioned to respond rapidly with support that is appropriate to the unique needs in each area of the country.

I am humbled to have the commitment of partners like you who step up in times of need. Thank you again for your generosity.

With sincerest gratitude,

A handwritten signature in black ink, appearing to read "Christine Squires".
